IQI Miners

# About Company

IQI is a highly trusted multi-asset broker with an extensive offering of tradeable global markets. Delivering competitive fees and high-quality research, as well as modern, institutional-grade trading platform.

IQI is the next generational web assets banking and fintech ecosystem launched in 2018. Uniting traditional trading finances and digital assets, with fully licensed and secure services. IQI gives both beginners and professional traders the freedom to trade and earn on their digital assets.

IQI was founded in 2010 by Kashif Ansari and Orson Pang as privately owned full service financial company in Australia . Launched in 2018, IQI Miners has strived to bring professional services to the world of traditional and digital assets trading.

Leveraging the best of the team's years of experience in currency exchange since the early 90s and in the fintech industry, IQI Miners is shaping the future of digital and traditional assets trading.

**Kashif Ansari**

*Chief Executive Officer*

## About **Kashif Ansari**

With over 20 years of experience across various global markets, including investment management, corporate finance, and real estate, Mr. Ansari's visionary leadership as the CEO of IQI Miners has propelled the company into multiple regions worldwide, distinguishing IQI from its competitors while overseeing and expanding all global investment and business activities.

As the Founder and Chief Executive Officer of IQI Miners, he leads the newly merged group toward a horizon of opportunities, driving positive change in the global real estate market and establishing IQI as one of Australia's largest property technology companies.

# Milestone

## 2020

In 2020, IQI Miners significantly broadened its international footprint by entering the European and U.S. markets.

This strategic move allowed us to tap into new opportunities and serve a wider client base, positioning us as a global player in the digital asset management space. Our expansion efforts included establishing local offices and building a robust network of industry contacts to enhance our service offerings and market presence.

## 2021

The year 2021 saw IQI Miners forge a pivotal strategic alliance with leading blockchain technology providers.

This partnership was instrumental in advancing our technological capabilities and integrating cutting-edge solutions into our investment platform. By leveraging the expertise of our partners, we enhanced our service offerings, enabling us to deliver more innovative and effective investment strategies to our clients.

## 2022

IQI Miners was honored in 2022 with the 'Best Digital Asset Management Firm' award by Industry Magazine. This accolade reflects our commitment to excellence and innovation in the digital asset management sector.

The recognition highlights our successful implementation of advanced investment solutions and our leadership in driving the evolution of cryptocurrency investments. This award underscores our dedication to providing top-tier services and our continued growth and impact in the industry.
